Words are flowing out like endless  
rain into a paper cup They  
slither while they pass they slip  
away across the Universe.

drifting through my opened mind  
Possessing and caressing me.

Nothing's gonna change my world  
Nothing's gonna change my world

Images of broken light which  
dance before me like a million eyes  
They call me on and on across the Universe

Thoughts meander like a restless  
wind inside a letterbox  
They tumble blindly as they make their  
way across the Universe.

Nothing's gonna change my world  
Nothing's gonna change my world

Sounds of laughter, shades of earth are  
ringing through my opened ears  
Inciting and inviting me.

Limitless, undying love which  
shines around me like a million suns  
And calls me on and on across  
the Universe.
