life though

A

some have changed Some for

ever not for better Some have

D Dm

gone, and

some remain. All these

F#m D

places have their moments With

G A

lovers and friends, I still can recall Some are

F#m B7

dead and some are living In

Dm A

my life, I've loved them all

But of

all these friends and lovers There is

no one com

pared with you And these

memories lose their

meaning When I

think of love as

something new

Thought I know I'll never lose affection

For people and things that went before

I know I'll often stop and think about them

In my life I'll love you more
